Solution

3 ways to make collaboration easy and efficient

Single platform

- Any time, any place can be accessed with single number
- Integrate all functions to increase the efficiency
- With add-on PowerApps in a single platform to enrich collaboration experience and enhance productivity

Unified platform

- Tightly integrated with O365
- Add “Phone System” and SBC(s) for PSTN (Public switched telephone network) calls
- Full voice enabled by JOS to make collaboration completed

Ease of administration

- Clients are auto-updated
- Minimal user supervision
- Ease and efficiency of file sharing to streamline and simplify workflow
